Our hallways are filled with excitement, laughter and the holiday spirit. As always, at this time of the year we also start looking forward. The new year will bring change, new opportunities and of course, learning!

We are planning a family evening for the end of January. We will host our first multicultural potluck. We will share all of the details in early January.

We are planning an assembly to dedicate both the Treaty 6 flag and the Metis flag. We will share all of the details in early January.

We wish Mrs. Rodomsky good luck as she goes off on maternity leave. We can’t wait until she brings her new baby for a visit. We welcome Ms. Thiessen as her full time replacement.

We want to welcome back our Shine nurses under the leadership of Mrs. Klemmer. They will be with us on Mondays, Tuesday and part of Wednesdays.

Mrs. Dunk, our resource teacher, has accepted a temporary leadership position with our school division’s Special Education department. We congratulate her on this opportunity and welcome Ms. Nunweiler as her replacement until the end of June.

We welcome Crystal Cresswell as an Educational Associate in our building.

Our staff is already hard at work planning exciting new learning opportunities for after Christmas...stay tuned!

We want to wish all of our families a holiday season filled with laughter, love and family! See you in the new year!

The North Park Wilson Annual Winter Concert will take place on **Wednesday, December 16**.

“December Nights, December Lights” shares stories from a few different holidays that happen in December, and explores how light is associated with each.

Performances will be at 1 pm and 7 pm; students from Pre K – Grade 5 will be performing, and our Grade 7/8 class will have a concession open before and after each concert.

If you are a parent with a child in K-5, please have your child dress in dark pants and “Christmas-coloured” shirts – white, red or **green** for concert day. Dresses are acceptable too!

(Ms. Helfrick’s morning kindergarten class will be performing jointly with the afternoon class. **Parents are asked to stay with their students and then take them home once the concert is complete.**)
