You will probably be prompted to enter your child's student number, followed by @spsd.sk.ca again as well as the password they use to log in to the computers at school.
Google Classroom - How To...

Appleton

October 05, 2017
If your child's classroom teacher uses Google Classroom as well, you may have to select my class, indicated by "Mr. Appleton".
Once you are into my classroom, you will see something like this...simply tap on the assignment announcement or question to see more details or upload a video/document and complete the assignment and/or question.

What Instrument do you play?
